**birdbrose**  
Established in 1969  
We are even better partners for your eggs  
For over 40 years, Bird Brothers have been producing and supplying the highest quality eggs at affordable prices direct to retailers, wholesalers and caterers throughout the UK.  
Now we're looking to expand our free range sales and would like to build mutually profitable long term partnerships with independent free range egg producers.  
We offer competitive prices and regular payments terms to make sure your cashflow keeps flowing. Why not talk to us today and see how we can become better partners for your eggs.  
To find out more, or simply have an informal chat, call either Matthew or Stuart Bird at our head office on 01480 862330. Or email products@birdbrose.co.uk
