Dear [REDACTED]

REQUEST FOR INFORMATION:

Thank you for your requests for information about Bovine TB and the pilot culls, which we received on 17/02/2014. We have handled your request under the Environmental Information Regulations 2004 (EIRs).

The EIRs apply to requests for environmental information, which is a broad category of information defined in regulation 2 of the EIRs. Public authorities are required to handle requests for environmental information under the EIRs. They give similar access rights to the Freedom of Information Act 2000 (FOIA).

The information that you have requested is available from
<http://tacklingbovinetb.tumblr.com/post/79161675998/bovine-tb-q-a-march-2014>.

As the information you have requested is already publicly available and easily accessible to you in another form or format, regulation 6(1)(b) of the EIRs exempts Defra from providing a copy in response to your request.

I attach an annex giving contact details should you be unhappy with the service that you have received.

If you have any queries about this letter, please contact me.

Yours,

Defra TB Programme

Complaints

If you are unhappy with the service you have received in relation to your request you may make a complaint or appeal against our decision under section 17(7) of the FOIA or under regulation 18 of the EIRs, as applicable, within 40 working days of the date of this letter. Please write to Mike Kaye, Head of Information Standards, Area 4D, Nobel House, 17 Smith Square, London, SW1P 3JR (email: requestforinfo@defra.gsi.gov.uk) and he will arrange for an internal review of your case. Details of Defra's complaints procedure are on our [website](#).

If you are not content with the outcome of the internal review, section 50 of the FOIA and regulation 18 of the EIRs gives you the right to apply directly to the Information Commissioner for a decision. Please note that generally the Information Commissioner cannot make a decision unless you have first exhausted Defra's own complaints procedure. The Information Commissioner can be contacted at:
