- FarmingUK.com have are a well-established agricultural online presence, with a readership of 500,000 every month and a social media audience in excess of 50,000.
- When you advertise a job vacancy within the agricultural sector we do everything we can to make sure that vacancy reaches your target audience.

And when we say everything we mean everything.

- ✓ Your listing stays on farminguk.com for 3 months or until the vacancy is filled
 - ✓ We promote the position on our social media channels reaching an additional 50,000+ potentials
 - ✓ We email out every new vacancy to our email subscribers every week.
- Every two weeks until the position is filled we promote the vacancy on our social media channels.
 - Every week we send an email with a list of all the vacancies on our site to the entire database.
 - So when we say we do everything we can to fill the vacancy. We do just that.

Oh! and the cost. A simple £350!
